## Education

### Albion College

Bachelor of Arts in Mathematics Secondary Education and French

GPA 3.98/4.0

May 2011

**Honors:** Cathy L. Young Award in French, Louis R. Bragg & Mary Huemiller Bragg, '69 Endowed Scholarship in Mathematics, James Lancaster scholarship for mathematics, Sleight Award in Mathematics, Phi Beta Kappa, Mortar Board, Sigma Xi, Alpha Lambda Delta, Kappa Mu Epsilon, Omicron Delta Kappa, Albion College Fellows, Departmental Honors in Mathematics, Deans List, Knowles Foundation Teaching Fellowship Finalist

## Classroom Experience

### Student Teaching Classroom Placement

Taught spring semester in a secondary classroom at Concord High School. Classes included geometry and algebra II as well as principles of engineering, which I assisted in teaching.

Spring 2011

### International Practicum in Education

Lived in Noisy le Roi, France for a week working in the local middle school observing and teaching to later put together a research project comparing the two educational systems.

Winter 2010

### Literacy Classroom Placement

Observed and taught lessons in a geometry class at Concord High School integrating literacy into the mathematics curriculum.

Fall 2010

### Maymester Classroom Placement

Designed and taught a three-week unit on area and volume in may at Albion High School after observing the class weekly throughout the semester.

Spring 2010

### Mathematics Pedagogy Classroom Placement

Observed and assisted weekly and taught three lessons in an algebra II class at Albion High School.

Fall 2009

### Language Pedagogy Classroom Placement

Observed and assisted weekly and taught for introductory level French lessons in a seventh grade classroom at Mar-Lee School.

Fall 2009

### Special Education Teaching Placement

Observed and assisted weekly in a special education classroom at Albion High School. Also taught occasional lessons and worked with students individually or in small groups

Fall 2008

### Introductory Teaching Placement

Observed a calculus class weekly at Albion High School. Assisted students on an individual and small group basis whenever possible.

Fall 2008

## Related Work History

### Substitute Teacher

Worked as a substitute teacher for my student teaching classroom when my mentor teacher was attending professional development.

Spring 2011

### Albion College Math Tutor

Helped students in all levels of college mathematics with homework, questions, and to prepare for tests. Worked with students both with regular appointments and on a walk in basis.

2007-present

### Apprentice Costume Designer/Costume Assistant/ Stitcher

Designed and constructed the middle school and high school musicals and reparatory productions and for the profession theater program, also worked backstage as wardrobe mistress during production.

Summers 2006-present
